NARRATIVE

On 06/27/2014 1618 hours, I responded to a hit and run collision at the intersection of SR204 and SR9. The R/P indicated that he was going straight E/B from SR204 into the drive of Frontier Village. The roadway has two forward lanes and two left turn only lanes. There was a dump semi truck and trailer in the outside left turn lane. Vehicle 2 was in the inside straight travel lane. R/P and both witnesses stated that the dump took the turn too wide and the right front of the semi struck the left rear of the victim vehicle. The dump continued northbound on SR9 while the victim vehicle stopped at the north end of the Frontier Village Shopping Center. The R/P and witnesses said that it is possible that the dump driver was unaware that he struck vehicle 2. Both witnesses said that the dump had Springbrook Nursery markings on it. Witnesses did not get a license plate or truck DOT number for the semi. I contacted Ryan A. Anderson who is the dispatcher for Springbrook Nursery who advised that there were four red dump trucks in the area that day and none displayed damage and no driver's admitted to hitting any vehicles. Anderson stated he has contacted driver #1

I witnessed a red dump truck with trailer cross into our lane in the intersection of Hwy 9 and 204. The front of the dump truck hit the red pickup truck <sup>in front of us</sup> in the left rear quarter panel and picked it up and dragged it a few feet before it dropped it back down. The red truck subverted but recovered and entered into frontier village. The red dump truck continued his turn onto highway 9 and never proceeded to stop. We were behind the red truck and had to switch lanes to avoid the dump truck as well.

I was behind a red Ford pick up at the intersection of Highway 9 and 240 in Lake Stevens. In the left lane was a dump truck pulling a extra trailer. As the light turned green the dump truck started to make a left turn onto highway 9 north, as he was doing so he started to drift in to the right lane more and more, as he finally make his left turn he hit the back end of the red pick up truck causing him to fish tale.
